

NUHA IFHAM

UI/UX DESIGNER

Polwatta, Panagamuwa, Kurunegala, Sri Lanka | www.nuhaifham.com | www.nuhaifhamportfolio.com

ABOUT ME

UI/UX design student skilled in Figma, with working knowledge of React, Flutter, and Android Studio. Passionate about designing user-focused interfaces and interactive prototypes that balance usability, creativity, and real-world application.

EDUCATION

Bachelor of Information and Communication Technologies [Hons]

Jan 2022 - Present

South Eastern University of Sri Lanka (Ampara District, Oluvil, Sri Lanka)

Diploma In English Language

Apr 2021 - Sep 2021

Esoft Metro Campus
(Kurunegala, Sri Lanka)

SKILLS & TECHNOLOGIES

UI/UX Design: Figma, wireframing, prototyping, user flows, navigation, colour & typography, usability testing

- Applied principles of **User Interface (UI) Design** to create visually appealing layouts.
- **Soft Skills:** Teaching & conducting workshops, mentoring peers, leadership, problem-solving, creative tinkering

Frontend & Mobile Development: Reactjs, Flutter & Android Studio (mobile app development), HTML, CSS (Grid & Flexbox), JavaScript

Design Tools: Adobe Illustrator, Photoshop, Canva, Adobe XD, Blender, Sketch

PERSONAL PROJECTS

October 2025 – November 2025 | EcoTrack – Household Resource Tracking App ([EchoLink](#)) Designed a mobile app concept to help households track **water, energy, and waste consumption**. Conducted user research and created wireframes, interactive prototypes, and high-fidelity Figma designs. Developed user-friendly dashboards and layouts that support ecotracking and encourage **sustainable behaviour**.

September 2025 – October 2025 | UI/UX Designer | Designathon Finalist – Call Alerta (Disaster Management Mobile App)

Developed *Call Alerta*, a disaster management mobile application during the Designathon final competition to support early warnings, emergency communication, and resource coordination. Created high-fidelity Figma designs, wireframes, and interactive prototypes. Designed complete UI/UX flows including SOS alerts, real-time maps, emergency contacts, and notifications, with a focus on usability during critical situations.

December 2025 | Coffee Shop Website – UI/UX Design Project (Behance) [\(CoffeeShopLink\)](#)

Designed and published a modern coffee shop website UI on **Behance**, focusing on clean visuals, smooth user flow, and brand consistency. Created responsive layouts, intuitive navigation, and high-fidelity Figma designs to showcase the menu, story, and customer experience.

August 2025 | CampusMate – Student Campus Companion Mobile App [\(Campusmate\)](#)

Designed a student-focused mobile app to simplify campus life by providing easy access to services such as cafeteria menus, alerts, events, and student information. Created clear navigation, consistent layouts, and intuitive user flows to reduce cognitive load and improve usability across multiple features and screens.

December 2025 | Full-Stack Salon Booking System – Web App (UI/UX + Full Stack)

Built a full-stack web application that allows customers to **book salon appointments** and helps owners **manage schedules efficiently**. Implemented time-based appointment sorting (firstcome, first-served) to ensure accurate scheduling. Developed the backend using **Node.js**, **Express**, and **MongoDB**, and built the frontend with **React**. Integrated **Docker** for easy deployment and environment setup. This project strengthened skills in full-stack development, backend logic, and real-world time management handling.

CERTIFICATION

UX Design Professional Training Google	Jun 2024
UX Certification (UXC™) Nielsen Norman Group (In progress)	Jun 2025
Meta Front-End Developer Certificate Meta (In progress)	Aug 2025

ACHIEVEMENTS

Ranked in the top 10 at SLIT Designathon for outstanding UI/UX design performance
Achieved top 10 place at SLIT Designathon, recognized for creativity and effective problem-solving in UI/UX design.
Jul 2025

Winner – Designathon | Southeastern University of Sri Lanka
Secured a winning position at the Designathon held at Southeastern University of Sri Lanka for developing a disaster management mobile application. Recognized for excellence in UI/UX design, creativity, and effective problem-solving.
Jan 2026

Figma Workshop Instructor
Led a Figma workshop for students, teaching prototyping, components, and animations while boosting their UI/UX design skills.
Nov 2025
